### What's New in the Cinema Sigma Style?

If you are in love with the glamorous cinema world, iconshock brings you this stock, it is right for you! It contains some objects you need to know if you are into the movie world such as the golden Oscar price, a pop corn to have with your favorite movie and also a director chair among others. These movie world elements are designed with a glossy finished effect and a nice clean combining of bright colours and great shapes and this clean style will surely make them stand out among other icons. Fileformats: ? PNG (Transparent Background, 24 Bits color, 8 bits shadow) ? ICO (Windows Icons) ? ICNS (Mac icons) Sizes: 256x256, 128x128, 48x48, 32x32, 24x24, 16x16 Four awesome pieces for Your favorite club or team or even just for your friend. The four pieces contain four large parts that can be used to make flags, jerseys, hats, banners, t shirts and many more cool thingz for your club or team.All these elements can be easily transformed to have multiple colors and different designs to differentiate them, this way the four pieces can be used in your projects and avoid a same repeat of the same patterns. The four parts on the set contain: hat, t-shirt, jersey, and flag.If you like the set, or just the parts, feel free to buy it.At the time of writing this pack has a limited quantity of 90 pieces, and that is all.Best regards,Good Luck and Have Fun.Ethan. This new set contains 8 awesome items for your projects. This set contain: Happy Birthday Balloon, Ring, Coin, Mug, Badge, Hipster, iPhone and iPad.The piece can be used as all different objects because they have the set size of the iPad 7's screen. On this set, the most obvious one that can use is the iPhone, but you can use the mug, ring, badge, or balloon in many different ways to have one of the best team sets around.They are easy to transform and have a smooth designed pattern for you to turn them into whatever you want.The badge can transform into a cool iPhone 7 screen with the 4.7's hole design.The iPhone has a smooth designed pattern with a shiny finish.The ring can transform into any popular ring.You can have a set of all your team's members or just to
